

July 2022

WE'RE LISTENING

We are always looking for ways to provide the best products, service, and quality to our customers and we'd like to ask you a quick question:

Where do you use your mobility scooter most?

A.) In your home

B.) At the store

C.) Outdoors (in the park, in your yard, etc.)

D.) A combination of all the above

DID YOU MEET THE NEW BAJA WRANGLER 2?

GET THE KEY TO YOUR NEW ADVENTURE NOW

MANUALS ON DEMAND!

It's hard to keep a track of all the moving pieces when it comes to life, so we've decided to put one of those pieces in a place you'll always find it. If you're needing an owner's manual, you can find it here:

<https://www.pridemobility.com/resources-and-support/pride-mobility-resource-files.asp#owners-manuals>

Saving your owner's manual is a breeze:

- 1.) Click on the manual you're looking for and it should open in a new tab.
- 2.) Click on the little downward pointing arrow in the PDF viewer.

3.) You've now downloaded your owner's manual and it should be in your "Downloads" folder on your computer.

Do you need a power lift recliner to relax in after a long morning of playing pickle ball? Maybe you want to watch the afternoon baseball game or your favorite soap opera.

MEET YOUR DESTINATION TO COMFORT

Three heating pads are strategically located in the shoulders, lumbar and seat to help take a load off their shoulders, loosen up their lower back and provide cradling warmth in the seat.

- It's here to serve by keeping your drink of choice close at hand with a built-in cup holder and keeping your source of entertainment charged using the wireless charging station.
- There is no chair more dependable. Ease your mind knowing that it includes a reliable lithium battery backup in case of a power outage.

GET TO KNOW THE RADIANCE

ARE YOU THE PROUD OWNER OF A PRIDE MOBILITY PRODUCT?

We would love to see how you use your scooter, power wheelchair, or lift recliner. Feel free to send us your photos and videos to: marketing@pridemobility.com for a chance to be featured on our social media profiles!

PRIDE® FDA Class II Medical Devices designed to aid individuals with mobility impairments.
