## LET'S GET DIGITAL: WHAT ARE COOKIES?

---

- Files that are created by websites you visit are known as “cookies”
- Cookies make your online web browsing experience more convenient
  - Keep you signed into websites
  - Remember your preferences for the site
  - Give you local content that is helpful when searching online
- Many online retailers use cookies to keep track of the items in a user's shopping cart as they explore the site.
- Without cookies, your shopping cart would reset to zero every time you clicked a new link on the site, making it difficult to buy anything online!

## **WE VALUE YOUR INPUT**

We want to hear from you! What are some questions you have about your mobility scooter, lift chair or power wheelchair?

Also, do you name your mobility device? 😊
