- Lightweight, only 43.6 pounds with battery
- Airline-compliant lithium-ion battery*
- Speeds up to 3.7 mph
- 300-pound weight capacity
- Folds in just a few easy steps

Learn more [here](#).

It Fits in Your Trunk!

The image shows the iRIDE 2 scooter, which is orange and black, and its carrying case, which is black with an orange triangle. The scooter is shown in its unfolded state, and the carrying case is shown next to it. The background is a dark, textured wall. The text "iRIDE 2" is written in a large, stylized font, with "light • sleek • fast" below it. The text "NON-MEDICAL!" is visible in the bottom right corner of the image.

MORE NEWS & HIGHLIGHTS

YOU Are Our Reason

It's comments like these that drive our mission to manufacture the most quality and technologically advanced products while being the friendliest company around.

Thank YOU, Paul.

Pride Goes PINK!

October is Breast Cancer Awareness Month and Pride went pink to show our support for survivors and remember those we lost, while raising awareness for the progress researchers are making to

defeat this disease.

Open House

On October 17, Pride Mobility hosted an open house, showcasing our efforts in unifying our operations so that our Northeastern Pennsylvania offices are now in one location to better serve you.

A QUICK QUESTION.

What are you most thankful for?
